

# Designed for a life in motion.

Make the most of every adventure with durable, easy-to-clean floor coverings featuring Chilewich textiles.

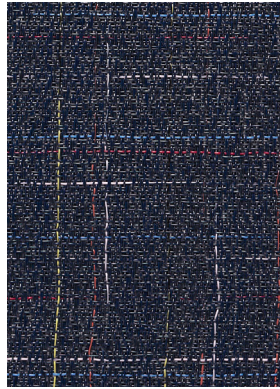

What a difference a mat makes. Inhabit Design Works allows Tesla drivers to enhance their vehicles with handcrafted floor mats featuring Chilewich's woven vinyl textiles. Ultra-durable, removable, and easy to clean, these custom coverings are an instant and enduring upgrade, combining refined style with all-weather protection. Choose from five innovative weaves and ten multi-tonal colors selected to complement the clean-lined interiors that are a Tesla signature.

## Why choose Inhabit and Chilewich?

**Distinctive design.** Rich woven textures and multi-tonal colors.  
**American craftsmanship.** Made with pride in the USA.  
**Durability.** Retains beautiful appearance over years of daily use.

**Easy care.** Can be spot cleaned or removed for deep cleaning.  
**Antimicrobial protection.** Resistant to mold and mildew.  
**Sustainability.** Phthalate-free textiles with renewable content.
